

2018-2019 Ski Season Handbook

Bay Nordic Junior Team - Middle & High School

Team Goals & Core Values!

- Skiing as a life-long sport through team unity and fitness.
- Individual progression and improvement throughout the ski season.
- Training and race support for State and National level competition.

About the Team

Students and athletes from any school district are welcome to join the Bay Nordic's Junior Team. Our team welcomes and supports all athletes with or without experience in Nordic skiing. Team members are given an opportunity to set goals for their level of participation, whether it's to develop a lifelong healthy lifestyle, state-level racing, or pursue junior competition at the highest level.

The Junior Team is composed of two teams:

1. Middle School (MS) Team - The team is open to grades 5th through 8th.
 - a. **Families of 5th grade athletes need to discuss with head coach before signing up.**
2. High School (HS) Team – Includes grades 9th through 12th.

Both programs start in October when the team begins “dryland” practices 3 to 5 days a week and transition to snow in December.

Athletes are encouraged to set goals and progress through three different areas of focus & training programs within the team:

1. **Sport (Fitness Level & Beginning Skiers):**
 - Introduction to skiing and skiing as a lifestyle. Emphasis is on learning to ski and developing functional ski fitness (efficiency!)
 - Opportunities to gain “race” experience throughout season. As fitness level and technique progress the athletes are integrated into workouts with the more experienced groups.
 - Attending **at least 3+ practices** per week is needed to progress and integrate with team.
 - Introduction to some MS/HS level races throughout the State (**WNSL**) and participate in **WI State Championships**.
2. **Competition (State-Level Race Team & CXC Youth Cup):**

- MS/HS level races throughout the State (**WNSL**) and participate in **WI State Championships**.
 - Junior Cup participation (non-scoring) & CXC Youth Cup U14/U12
 - **New to Experienced skiers that have committed to personal & team goals, regular practice & race attendance. Year-a-round activity.**
3. **Junior Cup** –
- Top-level regional age group racing with goal of qualifying for Junior Nationals in March.
 - Additional race weekends & travel
 - **Focused ski-centric training plan, year-a-round family commitment & consistency towards meeting goals.**

What to Expect for New Skiers

- Team members will participate in **physically active workouts** and must have a desire to improve throughout the year. Members gain fitness, meet friends, and develop the skills to enjoy a lifelong sport!
- Skiers focus on technique for skate and classical skiing along with developing fitness through strength, speed and endurance workouts.
- **ALL ATHLETES ARE PROVIDED WITH QUALITY EQUIPMENT.** Junior Team members are fitted with both “Classic” and “Skate” performance ski packages as part of registration. The packages include Skis (classic & skate) and poles. ****SKI BOOTS MUST BE SUPPLIED BY THE ATHLETE.**
- When coaching is available, weekend practices are available for any team members not participating in a race that weekend.
- All athletes are encouraged to join WNSL races.
- The Competitive Race Team travels regularly throughout the State for competitions. Junior Cup Team members require additional travel.
- Team members learn proper care for equipment and facilities.
- Team Jackets, hats, and clothing are available for purchase on the Team Store and through Team Apparel.

Team Member Expectations

- › Communicate with the Coaches!
 - Team & Personal Goals
 - Practice Attendance, sickness, how you are feeling, homework or other obligations.
- › All Athletes, no matter the age, must have ability to be independent.
 - Dressing appropriately, nutrition, communicating with coaches, Staying Safe on roadways, individual effort.
 - Being ready to go on-time!
- › Participating in practices & workouts is important! Skiing is a sport that takes practice, patience, and persistence. The better the fitness and technique, the more enjoyable it is!
 - Consistent practice attendance and physical activity. Athletes will be integrated into the training programs as their fitness and technique progresses.
 - Competitive & JNQ athletes are expected to commit to the Training Program

- › Be at practice on time and ready to go. Car pools are encouraged!
- › Take exceptional care of equipment and become proficient at cleaning and waxing skis for practices and races.
- › Clean and organize our club house/ski lodge at the Reforestation Camp.
- › Support the Bay Nordic Youth Program by volunteering at their ski sessions when possible.
- › PARENT & Athlete support of the program is NEEDED! This includes team dinners, fundraising, and support of the Nordic Community.

Practice & Training Schedule

Most practices will begin together within a large group and breaking into small groups based on ability and training plan. Communication and goal setting with the Coaching Staff is important!

Fall/dry-land training includes:

- Weekly technique, trail running, strength training and hill bounding.
- Roller-ski school (development) for new and beginner skiers.
- Roller-ski training for returning or seasoned members of the race team.

Winter Training begins as soon as the snow flies and includes:

- Weekly on-snow training practices.
- Early season weekend travel to “find snow!”
- Weekend races.

Typical FALL practice schedule, locations will vary & be communicated:

- **Monday (All Athletes) – 4:15 pm Rollerski/Run, Agility, & Strength**
- **Tuesday (All Athletes) – 4:30 pm Hill Bounding/Running**
- **Wednesday – off OR WORKOUT ON OWN**
- **Thursday (All Athletes)– 4:15 pm Roller Ski or Run**
- **Friday – Off**
- **Saturday (All Athletes) – 8:30 am Roller Ski/Run & Strength**
- **Sunday (attendance limited) – 10am (sometimes variable). “Over distance (OD)” workout**
 - › **U20, U18 & U16 Skiers - Must have strong fitness base, experience, & able to sustain long workout with group. Consistent attendance to stay with progression.**

Typical WINTER practice schedule:

- **Monday, Tuesday, Thursday – 4:30 pm ski at Reforestation Camp**

- **Thursday or Friday Night Wax Prep preceding race weekends- PARENT VOLUNTEERS NEEDED**
- **Periodic team dinners**
- **Saturday & Sunday Race Weekends.**

Practice Locations

Fall practices will be held at various locations in the Green Bay area, depending on the activity and training scheduled. These locations include, but are not limited to, Meadowbrook Park in Howard, Triangle Hill, Fox River Trail, East River Trail, and the Reforestation Camp.

Winter, on-snow, practices will mostly be held at the Reforestation Camp in Suamico.

Weather, Snow Conditions and Cancellation Policy

If there are school closings, practices will be considered optional if they are still held. Since members are coming from various school districts and travelling various distances, it is ultimately the parent's decision whether to attend.

Practice Communication

Nordic skiing is unique in that practices consist of various activities, locations, and weather conditions. Both coaches and team members are responsible for maintaining open communication to participation, changes in locations, and preparing for adverse weather conditions.

Information regarding weekly communication, preparing for outdoor practices, scheduling, race prep, waxing, etc. will be provided by coaches and team managers.
