Bay Nordic announces the Stump Farm Ski Race/Tour and Lighting Celebration on February 27, 2016 featuring night time ski race.

GREEN BAY, WI (February 15, 2016)

Bay Nordic Ski Club, Inc (Bay Nordic) announces the 2016 Stump Farm Ski Race and Tour will celebrate the successful completion of Phase 1 of the Project Illumination ski trail lighting project at the Brown County Reforestation Camp. The event will be held on February 27th, 2016 starting at 2pm at the Brown County Reforestation Camp lodge and ski trails located near the NEW Zoo at 4418 Reforestation Rd, Green Bay, WI 54313.

Paul Egelhoff, President of Bay Nordic, says: “The lights have been a huge success. We’ve attracted more families and casual skiers to ski the trails on weeknights, and this is certainly worth celebrating.” The Stump Farm Ski Race/Tour will include an afternoon 15km freestyle ski race/tour, a 1-2.5km youth ski race and a night time 4km ski race/tour on the newly lighted ski trails.

Participants will enjoy a bonfire, hot food, live music, and door prizes. New this year is a Costume Contest and the inaugural Stump Farm Challenge: Racers who do both the 15km and 4km race will vie for being crowned this year’s Stump King or Stump Queen. Registration will open at 2pm on the day of the event. The public is invited to participate in the ski race and festivities.

About Bay Nordic

Bay Nordic operates as 501(c) 3 organization serving the Northeast Wisconsin ski community. Founded in 2009 as a youth program and expanded in 2013 to build a program bringing Nordic skiing to people of all ages and to help encourage Nordic skiing as a winter activity of choice. Our emphasis is the expansion of youth and adult fitness opportunities and ensuring the long-term viability of Nordic skiing in the region through community outreach and active support of local trail systems.
